TV Control Code Search

Turn the TV you want to control on using the original TV remote or the power button on the TV.

1. On the remote press the TV Power key.
2. Press and hold Setup until the TV Power button blinks twice. (One long blink means it failed. You will need to repeat steps 1 & 2.)
3. Type 991
4. Press the Channel Up button repeatedly until the TV turns off.
5. Press Setup to save the code.
